Thank you for your interest in fostering for us! Fosters are the life line for a dog in need. By fostering, you are that animal's safe haven until they find their forever home. By fostering, you have the ability to transform that shelter animal into a pet that anyone would love to have! We are dedicated to finding the very best homes for our rescue dogs. To meet this goal, we carefully scrutinize all applications for potential fosters. We check all references. Thank you for your interest in our rescue group!

Main Responsibilities

- Provide a warm, safe and nurturing home and environment for the dog until its new forever home is found. Being in a foster home greatly increases that animal's chance of being adopted.
- The dog will be kept as an inside dog. They may be allowed outside but will NOT live outside. They will sleep INSIDE your home, in an appropriate area.
- Work with your foster dog good home manners.
- If required, will take the dog to all necessary vet appointments.
- Review adoption applications for the dog you are fostering to find a good match.
- Facilitate meetings with your foster dog and potential adopters.
- Since you'll get to know the dog, you can provide invaluable insight to potential adopters, helping ensure he or she gets a home that's a better match.
